HIP HOP HIGH BACK COLLECTION

The HIP HOP high back collection lets you create unique and convivial areas.

Reinvent your configurations by adding benches, combining standard height HIP HOP modules along with the new high back modules.

HIP HOP yet again sets the tone and gives you modularity with even more possibilities!

SPECIFICATIONS

- High back modules have an overall height of 49" (seat height at 18").
- Wedge modules available in three angles (30°, 45° and 60°) and three radiuses (18", 48" and 78").
- Optional back laminate tablet is available including an under the shelf hook.
- Electrical and USB outlets available.
- Choice of dual upholstery.
- Comprehensive selection of laminate finishes from the Lacasse Palette for a perfect fit.
- Legs available in two models in different finishes (metallic silver, nu nickel and chrome).
- Discrete nylon glides to protect any type of flooring.
