Application policy for upholsteries

Vertical alignment or standard position
(Up the roll)

Horizontal alignment
(Railroaded)

IMPORTANT:

Please note that upholsteries on all our commercial seats will be applied vertically (or standard), the same way the upholstery material unrolls. For reasons of size and optimization of the material, some of our collections with upholstered seats are upholstered horizontally (or with the selvage on top). With some exceptions, this is the opposite direction of the one illustrated in our upholstery cards. Below is a chart showing the direction rolls are applied on every product. You can also consult the symbols under the icons of products shown in this price list.

Direction in which rolls are applied, according to collection

Up the roll 	Railroaded 
Cube 100	Bourbon
Cube 200	Cube 300
Orsay	Hip Hop
Pouf	Hip Hop - High Back
Sencha - Metal Legs	Hip Hop - Junior
Sencha - Wood Legs	Sonoma
Stad - Soft Seating

HIP HOP, HIP HOP HIGH BACK AND HIP HOP JUNIOR

MODULAR / CONFERENCE AND PUBLIC AREAS

SPECIFICATIONS

- All models ship assembled except high back and wood leg models. Assembly of legs and the optional tablet is required on site.
- Fabric/fabric, fabric/vinyl and vinyl/vinyl upholstery is only available for the double ogive and armchairs. The first upholstery code is for the backrest, the second upholstery code is for the seat.
- If dual upholstery combination is from two different grades, list price is the highest grade of the two.
- Leather is not available.
- Metallic Silver electrical modules provide 2 power outlets and 2 USB 2.1 connectors. All electrical modules are rectangular (including the one for HRTM36), with the exception of ottomans and round tables that will include a circular module. Specify this option by adding **PC**, **PCL** or **PCR** depending on the model (maximum of 1 per unit). The modules come installed.
- The optional 9" (229 mm) deep laminate back tablets are installed at a height of 42" (1067 mm).
- Please refer to the Lacasse Sampler for laminate choices.
- Please refer to the Arold Accessories Addendum for information on ganging brackets.
- C.O.M./C.O.V. available. Please refer to page 46 of the current Arold Price Book.

CALCULATING RADIUS:

The radius is the linear distance calculated from the center of the circle (point 0) to the inner circumference of the module.

CALCULATING DEGREES:

The degree of the angle is calculated by dividing the entire circumference (360°) by the number of modules. E.g.: 360° divided by 6 modular units provides an angle of 60°.

Thus, 12 modules of 30° form a circle (360°).

ELECTRICAL MODULE:

Specify the position of the electrical module based on the model type.

Rectangular electrical module **PC**. Positioned on the front right side, once seated.

Rectangular electrical module **PCL** and **PCR**. Positioned on the side of the back of a wedge chair, once seated. Specify PCL (PC module on left) or PCR (PC module on right).

Rectangular electrical module **PC**. Positioned in the middle of the laminate surface, with the exception of the HRTM36, which will be positioned near the middle of the half-moon shaped surface.

Round electrical module **PC**. Positioned in the center of the laminate surface.

LEG OPTIONS:

9½" (241 mm) height for Hip Hop and Hip Hop High Back products and 6" (152 mm) Hip Hop Junior products.

Standard leg **E**
Steel, curved.

Optional leg **K**
Laser cut steel. (Not offered on Hip Hop Junior products.)

Optional leg **W**
Wood, stained. 2 colors are offered. Hip Hop products with metal legs cannot be retrofitted with wood legs. (Not offered on Hip Hop Junior products.)

LAMINATE BACK TABLET:

To order and indicate an optional laminate back tablet, simply add a laminate code.

Order example: HC60H-E8-AM24-AM24-SNO

When a back laminate tablet is not required, specify **NA**.

GANGING RULE:

As indicated in this list, and for stability purposes, some modules must be ganged to another module.

The HC30HBA and HC60HBA modules cannot be ganged because they are separated by lateral privacy arms.

Please refer to the Arold Accessories Addendum for information on ganging brackets.

C.O.M./C.O.V. Policy

Fabric approval

All C.O.M./C.O.V. materials must be approved for use by Groupe Lacasse/Arold manufacturing facilities. In order to determine pre-approval, please contact the C.O.M./C.O.V. coordinator at 1-888-522-2773.

To solicit approval, one yard (0,9144 metre) need to be forwarded to below address along with the material's specifications to the attention of the C.O.M./C.O.V. coordinator. If California # 117 compliant, the certification must accompany the material. Please ensure that the custom fabric form is completely filled out and sent to the C.O.M./C.O.V. coordinator or the test cannot be processed. The ORIENTATION section is especially important; if it fails to be completed the material will be applied as it comes off the roll.

Groupe Lacasse/Arold

C/O COM Coordinator
175, Saint-Pierre
Saint-Pie, QC J0H 1W0
Canada

Once the C.O.M./C.O.V. material has been tested, you will be contacted by the C.O.M./C.O.V. coordinator with the results. Upon approval, you will be directed as to any additional yardage requirements beyond the published C.O.M./C.O.V. yardage. To determine amount of upholstery needed, please consult this price list in the *Documents* section of "Arold COM-COV-SPL Requirements" on our website (www.grounelacasse.com). Yardage is based on 54"/1,38 m width roll. Some directional or railroaded material may require additional yardage.

All materials are to be received from the vendor clearly marked with your purchase order number, VENDOR-PATTERN-COLOR and quantity of yards. There should not be more than one piece per roll. Back orders or partial shipments will not be accepted. Rolls must not exceed 50 lbs. (22,7 kg). All C.O.M./C.O.V. material must be shipped prepaid to our manufacturing facility. DO NOT ship C.O.M./C.O.V. material without positive test results.

Once approved, please forward your purchase order to the C.O.M./C.O.V. coordinator (fax: 1-888-248-1865) and the upholstery to the specified address. Surplus material, unused material or material that cannot be identified will be discarded after 60 days. C.O.M./C.O.V. upholstery is subject to final approval upon arrival. It is the responsibility of the customer or customer's vendor to inspect material for bias and/or flaws prior to shipment to Groupe Lacasse/Arold.

Disclaimer

The Seller reserves the right to approve all C.O.M./C.O.V. prior to acceptance. Even after preliminary approval, the Seller reserves the right to reject C.O.M./C.O.V. if tests or early production results indicate the material will not meet the Seller's quality standards or excessive unforeseen costs will be incurred. For accepted C.O.M./C.O.V., the Seller assumes no responsibility for its appearance, quality, durability, colorfastness or any other attributes after application to a Arold product. The Seller will determine any additional yardage, labor charges or surcharges that may be required as a condition of C.O.M./C.O.V. acceptance.

Purchase orders will not be processed until material has been approved and production cannot be scheduled until upholstery has been received. Upon completing these steps, your ship date will be determined. The Seller may split an order at the customer's request and may be subject to a minimum order charge.

The Seller is not responsible for excess C.O.M./C.O.V. from completed orders unless express agreement has been reached in advance. The customer is responsible for the return of any excess material. C.O.M./C.O.V. orders may not be changed or cancelled after acknowledgement.

Please consult the C.O.M./C.O.V. coordinator (1-888-522-2773) with any questions regarding this process.

The scheduled delivery week is specified on our acknowledgment. Groupe Lacasse Inc. is not liable for delay or failure to deliver goods due to causes beyond its control. Groupe Lacasse Inc. will only make on site deliveries for a half truck 2400 square feet (68 cubic metres). An unloading dock must be available to accommodate 53 feet (16,15 metres) trailers and address is subject to approval. Unloading at destination is the responsibility of the purchaser. Ship dates and delays

If the Seller cannot ship products due to causes beyond its reasonable control (such as casualty, acts of nature, labor disputes, or accident; inability to obtain necessary labor, material or transportation; changes requested by the customer), the ship date will be extended to compensate for the delay as determined by the Seller.

Routing

Unless otherwise specified by the buyer and agreed to by Groupe Lacasse Inc., the latter reserves the right to select the route, method of shipment and carrier. Customer requests for special carrier, method of shipment and/or routing will be shipped freight collect.

Storage

In the event the purchaser request postponement of shipment beyond the scheduled shipping week after the goods have become work in process, or are ready to be shipped, Groupe Lacasse Inc. can take arrangements to store the goods but at the purchaser's risk and expense. Such transfer to storage shall be deemed delivery to purchaser for all purposes including invoicing and payment.

Freight claims

All FCA destination claims will be handled and filed by the Seller. In order to expedite any credit due, your help and assistance is required. Please adhere to the following guidelines. The merchandise is carefully packed and thoroughly inspected before leaving the warehouse. Responsibility for its safe delivery is assumed by the carrier upon acceptance of the shipment. Claims for loss or damage sustained in transit must therefore be made to Groupe Lacasse Inc. as follows:

A. Concealed loss or damage

Concealed loss or damage means loss or damage that does not become apparent until the merchandise has been unpacked. The contents may be damaged in transit due to rough handling even though the carton may not show external damage. When damage is discovered upon unpacking, a written request must be made to Groupe Lacasse Customer Service within 15 days of the receiving date. No disposition will be taken until approved by the manufacturer.

IMPORTANT: Groupe Lacasse's policy in concealed damage is to replace the part or complete product if necessary at no charge to the dealer. However, it is the responsibility of the dealer to provide installation of the replaced part or complete product. Therefore, no labor fees will be accepted on concealed damages.

B. Visible damage or shortage

Any external evidence of damage or shortage must be noted on the freight bill or express receipts and signed by the carrier's agent. Failure to adequately describe such external evidence of damage or shortage may result in refusing to honor a damage claim. When damage or shortage is discovered, a written request must be made to Groupe Lacasse Customer Service within 5 days of the receiving date.

For claims, please contact **Groupe Lacasse Customer Service** by phone at **1-888-522-2773**, by fax at **1-888-248-1865** or by email at LacasseCustomerservice@groupelacasse.com.

The warranty, which runs from the date of manufacture, covers defects in materials and craftsmanship found during normal usage of products during the applicable warranty period.

Warranty:

Groupe Lacasse LLC warrants its products, from the date of invoice, to be free from defects in material and workmanship for as long as the original purchaser owns it; proof of delivery being the only official document accepted by Groupe Lacasse LLC for any claim. The remedies described above are the buyer's exclusive remedies for any product defect. The Seller shall not be liable for consequential, economic, indirect, punitive or incidental damages arising from any product defect.

*The applicable warranty period assumes that the product is used an average of not more than 40 hours per week. C.O.M./C.O.V. POLICY

Fabric approval

All C.O.M./C.O.V. materials must be approved for use by Groupe Lacasse/ United Chair manufacturing facilities.

To request approval, one (1) yard needs to be forwarded along with the material's specifications to our Groupe Lacasse manufacturing facilities to the attention of the C.O.M./C.O.V. coordinator; shipping information can be found on the Custom Fabric Form. If California # 117 compliant, the certification must accompany the material. Please ensure that the custom fabric form is completely filled out and sent to **COM-Info@groupelacasse.com** or the test cannot be processed. The ORIENTATION section is especially important; if it fails to be completed the material will be applied as it comes off the roll.

Freight claims

All FCA destination claims will be handled and filed by the Seller. In order to expedite any credit due, your help and assistance is required. Please adhere to the following guidelines.

The merchandise is carefully packed and thoroughly inspected before leaving the warehouse. Responsibility for its safe delivery is assumed by the carrier upon acceptance of the shipment. Claims for loss or damage sustained in transit must therefore be made to Groupe Lacasse Inc. as follows:

A. Concealed loss or damage

Concealed loss or damage means loss or damage that does not become apparent until the merchandise has been unpacked. The contents may be damaged in transit due to rough handling even though the carton may not show external damage. When damage is discovered upon unpacking, a written request must be made to Groupe Lacasse Customer Service within 15 days of the receiving date. No disposition will be taken until approved by the manufacturer.

IMPORTANT: Groupe Lacasse's policy in concealed damage is to replace the part or complete product if necessary at no charge to the dealer. However, it is the responsibility of the dealer to provide installation of the replaced part or complete product. Therefore, no labor fees will be accepted on concealed damages.

B. Visible damage or shortage

Any external evidence of damage or shortage must be noted on the freight bill or express receipts and signed by the carrier's agent. Failure to adequately describe such external evidence of damage or shortage may result in refusing to honor a damage claim. When damage or shortage is discovered, a written request must be made to Groupe Lacasse Customer Service within 5 days of the receiving date.

For claims, please contact **Groupe Lacasse Customer Service** by phone at **1-888-522-2773** or by fax at **1-888-248-1865**.
