## CO.LOK

Elegant, functional and flexible, Co.Lok answers today's storage needs while upgrading any workspace.

All lockers can be used 360 degrees with the addition of a finishing back panel. The different available heights allow a complete customization of needs, whether it is for a use against a wall, in the center of a room to divide workspaces or in a dedicated room.

Different choices of locks and legs are available as options.

### LACASSE QUICKSHIP PROGRAM\*

Products and suggested layouts identified by this pictogram are part of the Lacasse quick delivery program.

\* Due to current market conditions, always refer to our Lead-Time Guide for a confirmation of our current Lacasse QuickShip lead-times.

#### PROGRAM CONDITIONS AND LIMITATIONS:

- Maximum of 35 of each selected item and of each color per order.
- QuickShip products are ready for shipment after reception of a ready-to-process order and delivered on next available trailer.
- High-pressure laminate (HPL) finishes are not part of the QuickShip Program.
- Each time an electrical/communication module option is specified for a product that is part of the QuickShip Program, the module option is also part of the program, with the exception of table centers (CPC, CP2, CPP).

#### IMPORTANT:

Place QuickShip orders separately from regular orders.

When preparing your QuickShip orders, indicate the code "QS" before the product code or the suggested layout code. (Ex.: QSR1VNK-183672LDNR3.)

#### AVAILABLE OPTIONS AND LAMINATE FINISHES:

Make sure to complete your QuickShip product codes with the option and finish codes that are part of the QuickShip Program. Consult the list of finishes available on QuickShip at [www.grounelacasse.com](http://www.grounelacasse.com).

## SPECIALS

The Co.Lok collection includes a 2-tone application by specifying the laminate finish of the frame first, then the doors. It is possible to make a special request for a storage unit with the color of your choice or a different application of the finishes on the doors. A storage unit can also be made according to special dimensions (W x H x D).

For any special request, please contact [special@grounelacasse.com](mailto:special@grounelacasse.com) or our Customer Service.

**IMPORTANT: Certain conditions, dimensional limitations and development fees may apply.**

# SPECIFICATIONS

## GENERAL SPECIFICATIONS

### General Information

- The Co.Lok storage collection is GREENGUARD® GOLD certified.
- High-performance particleboard panels made from recycled materials. Consult our website for more information.
- Delivered assembled and ready to use.
- Exact dimensions are used throughout the Co.Lok collection and can vary from other Groupe Lacasse collections.

### Design

- The neat design and constant horizontal lines of Co.Lok ensure a uniform appearance between the different storage units.
- The non-overlapping frame finish allows storage units to be installed side-by-side without creating unwanted gaps. Pre-drilled locations are provided on the interior sides in case the lockers or wardrobes lockers have to be combined/screwed together side-by-side or back-to-back (screws and screw covers included).
- Additional units (12") are installed on the side of a locker or wardrobe locker to complete a row and can also add a color accent while giving rhythm to the layouts.
- The lateral wardrobe is installed on the side of a locker or a wardrobe to complete a row.
- Spacers of 1/8" (3 mm) at the top allow the addition of accessories: hooks, side shelving (from the Stad collection).

### Characteristics

- Exterior panels and adjustable shelves are 1" (25 mm) thick.
- Doors and back are 5/8" (16 mm) thick.
- Smooth FUZE (laser) edgeband matching the specified finish.
- Metal-to-metal assembly ensures the integrity of the product, allows the replacement of damaged parts during use or rearrangements, in addition to facilitating the dismantling of the product at the end of its useful life.
- Doors with soft-close hinges that allow a 110° opening.
- Hooks factory installed. Quantity and type depending on storage space.
- Every unit has 4 levelers, allowing a height adjustment up to 1 1/4" (31 mm), making an installation on uneven floors easy.
- Freestanding furniture includes 4 legs factory installed. Anti-tipping strap included.
- Additional furniture on legs have 2 reversible legs factory installed on the left side of the product. Anti-tipping strap included.

## SPECIFICATIONS

### LOCKS AND HANDLES PROGRAM

#### Contemporary handle

- Cast aluminum pull with finish in Black, Silver or White.

#### Contemporary handle with standard key lock

- The finish of the lock matches with the color of the handle (except for the White finish handle).
- The barrel of each key lock is factory installed and key numbers are randomly assigned for each storage unit.

#### Essential electronic lock

- Housing with a Black finish touch keyboard.
- Factory installed.
- The battery compartment is located in the front part of the lock so changing the batteries can be done without unlocking or opening the door.
- Powered by a lithium coin cell (CR2450).
- Visual and audible indicators.

#### Select electronic lock with integrated handle

- Housing, activation button with integrated metal handle. Black finish.
- Factory installed. Can be oriented left or right depending on the position of the hinges.
- The battery compartment is located in the front part of the lock.
- Powered by two lithium button cells (CR2432).
- Visual indicators.
- The Select electronic lock is delivered with the default factory setting. To assign or change the configuration, the programming and manager keys are necessary. Please refer to the lock's user guide. Keys are sold separately in the *ACCESSORIES* section.
- Programming key. Allows the change of mode (assigned and shared) and to program the locks to accept manager keys.

- Master key sold separately. Contact Customer Service for more information.
- An electronic lock cannot be retrofitted to a unit with a key lock.

- The Essential electronic lock is programmed by default with the shared use function. The user chooses an available storage unit and accesses it using a 4 to 15 digit code. Once the storage unit vacated, it becomes available for another user.
- With the keyboard, it is possible to program the lock for an assigned use.
- Manager key (necessary) gives access to a storage unit in case its user is unable to access it. The key can also serve in case of battery failure. Sold separately and available in the *ACCESSORIES* section.
- Please note that the Essential lock is not part of the BIFMA Compliant® registry.

- Manager key. Gives access to a storage unit in case its user is unable to access it. The key can also work in case of battery failure. The programming of locks to accept manager keys is done with the programming key.
- When the Select electronic lock is programmed with the shared use function, the user chooses an available storage unit and accesses it using a 4 to 7 digit code. Once the storage unit is released, it becomes available to another user.
- It is possible to program the lock for an assigned use, allowing up to 20 codes used simultaneously. A programming key is necessary for this change.
- Keys sold separately and available in the *ACCESSORIES* section.

### FINISHING TRIMS

#### Finishing panels (back)

- The addition of finishing panels allows the lockers to be used 360 degrees and provides a finished aesthetic when the back of wardrobes or lockers are visible (i.e.: used in a hallway or to delimit workspaces).
- Allows the addition of an accent color if desired.

- Available in a HPL whiteboard for dry-erase markers.
- Ordered separately and installed onsite.
- Hardware included (mechanical fastened).

W – Whiteboard

### SURFACES

- Allows the addition of an accent color and creates a continuous shared surface for wardrobes and lockers side-to-side or back-to-back.

- Surface 1" (25 mm) thick. Double-sided tape included.

### FURNITURE WITH LEGS

- The Co.Lok furniture is also offered with 6" H (152 mm) metal or wooden legs. Factory installed.
- An anti-tipping stap is provided to secure the back or the sides of lockers or wardrobes to a wall.

- Below a 36" wide configuration, wardrobe lockers or lockers must be secured to the wall with a strap or be combined to another storage unit.

ACCESSORIES

**Additional hooks**

- Vertical or horizontal, molded metal in a Black (K) or Chrome (S) finish.
- STAD hooks in a Black (K), White (W) or Silver (S) metal finish: to install on the exterior of the side or on the back of a locker or wardrobe.

**Locker bottoms**

- Black molded polymer, 100% recyclable.
- Durable and easy maintenance.

**Storage pouches**

- To store small belongings (keys, wallet, glasses, etc.). To install inside a locker or wardrobe with screws (included).
- Opens upwards. Vinyl and fabric in soft black mesh.
- Durable and easy maintenance.

TWO-TONE APPLICATION

**Two-tone laminate application:**

Shaded area corresponds to the first code to be specified and will be applied to the frame. Second laminate code will be applied to front doors.
